OFFICE OF SECRETARY

LINCOLN HOMESTEAD,
SPRINGFIELD, SEPT. 1st, 1891.

COMRADES:

At the reunion of this organization held in this city December 2 and 3, 1890, a resolution was passed authorizing the Secretary to publish 1500 copies of a Roster containing the names of Ohio Soldiers residing in the State of Illinois. It has been quite a task, but a pleasant one, and I feel flattered that it fell to my hands to prepare it. I have endeavored to make it as near perfect as possible, and will ask your kind forbearance with all errors, as they can be corrected in the next edition. As many portraits of Ohio Officers as could be procured have been published, and the members will be glad to see the familiar faces of the men who led them on to victory. Others will be added in the future.

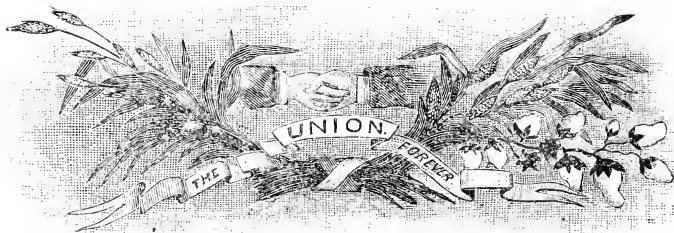

Ohio took a conspicuous part in the War of the Rebellion and every Ohio Soldier in Illinois should take pride in having his name enrolled in the Roster of this organization. We will always feel proud of our native State and the part she bore in the late War, recognizing that Illinois, our adopted State, was no less vallient and her heroes among the bravest.

Fraternally,

O. H. OLDROYD,

Secretary and Treasurer.

Any errors in names, Company, Regiment, Battery or Postoffice address should be reported to the Secretary, and any names not enrolled should be added.

OHIO IN THE WAR.

"She Counted Her Sons and Sent them Forth."

The great army put into the field by the State was enlisted under the different calls of the President, as follows:

Under the call of	Ohio furnished	Her quota being
April 15, 1861, for 75,000 men.	12,357	10,153
July 22, 1861, for 500,000 men.	81,116	67,365
July 2, 1862, for 300,000 men.	58,325	36,858
August 4, 1862, for 300,000 men (9 months).		36,858
June 15, 1863, for militia	2,736	
October 17, 1863, for 500,000 men.	32,887	51,165
March 11, 1864, for 200,000 men.	29,931	20,595
April 22, 1864, for 100 days militia.	36,251	30,000
July 18, 1864, for 500,000 men.	30,823	27,001
December 19, 1864, for 300,000 men	23,275	26,027
Totals.	310,654	306,322

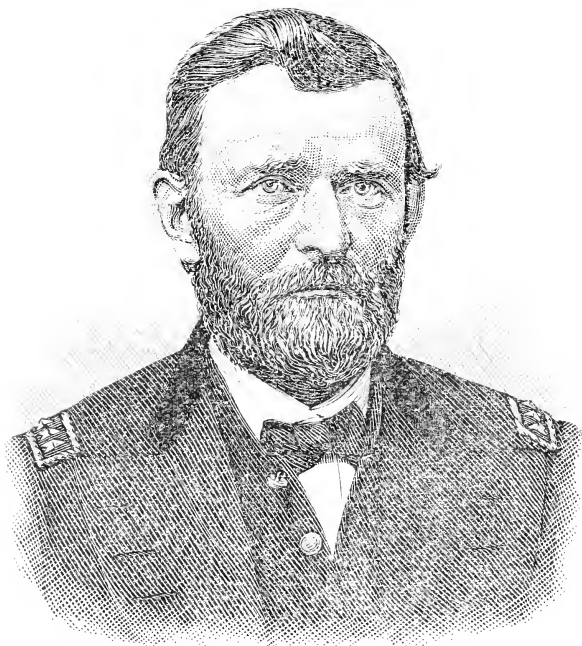

Their service was deadly, 11,237 of them were killed or mortally wounded in action, of whom 6,563 were left dead on the field of battle, 13,351 died before the expiration of their terms of enlistment, of diseases contracted in the service; *Thirty-seven Ohio soldiers out of every thousand fell dead or mortally wounded in battle; Forty-seven more died in the hospitals; Seventy-one more were honorably discharged unable to do the duty of soldiers by reason of wounds or sickness incurred in their Country's service*

They fought on well nigh every battle field of the war. Within forty eight hours after the telegraphic call, two Ohio Regiments were on their way to the rescue of the Imperilled Capitol, in the Spring of 1861. An Ohio brigade, in good order, covered the retreat from the first Bull Run. Ohio troops formed the bulk of the army that saved West Virginia; the bulk of the army that saved Kentucky; a large share of the army that took Fort Donelson; a part of the army at Island No. 10; a great part of the army that, from Stone River, and Chickamauga, and Mission Ridge, and Kenesaw, and Atlanta, swept down to the sea and back through the Carolinas to the Old Dominion.

They fought at Pea Ridge. They charged at Wagner. They campaigned against the Indians along the base of the Rocky Mountains. They helped to redeem North Carolina. They were in the siege of Vicksburg, the siege of Charleston, the siege of Richmond, the siege of Mobile, at Pittsburg Landing, at Antietam, at Gettysburg, at Corinth, in the Wilderness, before Nashville, at Five Forks and Appomattox Court House, their bones, reposing on the fields they won, are a perpetual binding pledge that no flag shall ever wave over these graves of our soldiers but the flag they fought to maintain.

"Always to honor, often to victory and at last to glorious success. Then, contemplating this whole magnificent offering to the "National cause, they may come to say, with something of the pride "with which we, who have seen these things with our own eyes and "heard them with our ears, regard the noble State, the gracious "mother of us all. **THIS, THIS WAS OHIO IN THE WAR.**"

THE UNION ARMY.

Like some stupendous elm tree
The Union army stands;
Its branches wave o'er many a grave—
The graves that link two lands.
It spreadeth North, it spreadeth South,
It spreadeth East and West;
It hangs o'er the cannon's silent mouth,
Where a bird might build her nest.

But the old limbs of this monarch
Are dropping day by day;
By battles scarred, and by Time's scythe marred,
They are falling fast away.
The boughs that bore us the fruit of peace,
That sheltered us thro' war's night,
From the grand old tree are breaking free
And dying in our sight.

Ohio Veteran Association of Illinois.

The object of this organization is to obtain a roster of Ohio Veterans residing in Illinois, to preserve and strengthen those kind and fraternal feelings which should bind us together as Comrades of the Great State of Ohio.

The membership consists of honorably discharged Soldiers, Sailors and Marines of the Army and Navy from Ohio during the War of 1861-1865 now residents of the State of Illinois.

The membership fee is 50 cents and the annual dues 25 cents. The object is to pay for the Roster and the necessary printing, postage and incidental expenses of the association. All members paying the membership fee are entitled to a copy of the Roster free, to others it will be 25 cents.

This organization was formed at Bloomington, December 10 and 11, 1889. The first Annual Reunion was held in Springfield, December 2 and 3, 1890. The Reunion for the year 1891 will be held at Galesburg, December 18 and 19. At the Springfield Reunion Miss Pearl Pinckard of Monticello, a daughter of a veteran, was elected the daughter of the Association.

Milo B. Stevens,

Eugene E. Stevens,
Attorney at Law.

WE TELL THE TRUTH

When we say the cheapest and best way for a soldier to ascertain what he is entitled to under the laws and complex Departmental decisions, is to tell the facts of his service to some attorney who, from long and honorable practice in the war claim business, and whose army service has gained the respect of his comrades.

OHIO SOLDIERS

As well as others, will we believe, bear us out in the statement that our uninterrupted success is wholly attributed to the fact that we never deceive them, and that we leave nothing undone that will contribute to the favorable adjudication of any claim given us to prosecute.

TWENTY-SEVEN YEARS

Practice has made our business methods known to ex soldiers all over the country, and to them we refer. From the location of our offices we are both "local" attorneys and "Washington" attorneys, and a comrade who applies at one of our Western offices, furnishing us with all the facts in his case, in response to questioning blanks sent him, is at once put in direct connection with the Departments at Washington, giving to his claim the advantages possessed only by an attorney located at the National Capital.

Why not give us a trial?
